# Wheat export lapses: DGFT warns of CBI probe

FE BUREAU  
New Delhi, May 30

**THE DIRECTORATE GENERAL** of foreign trade (DGFT) on Monday warned wheat exporters that it would examine cases for referral to the Central Bureau of Investigation (CBI) and the Economic Offences Wing (EOW) if they are found to be using backdated letters of credit (LCs) to illegally get permits for out-bound shipment of the grain.

While prohibiting wheat export on May 13 to control spiralling prices, the government had made it clear that supplies that are backed by LCs issued before the ban was announced would be allowed. Before referring to the CBI, the DGFT will take action under the Foreign Trade (D&R) Act against unscrupulous elements. It also made a two-step approval process for issuing the export permits and decided to

undertake physical verification of all approved LCs. The crack-down by the DGFT comes, as it feared that many of the LCs,

**Before referring cases to the CBI, the DGFT plans to take action under the Foreign Trade (D&R) Act**

typically bank guarantees, may turn out to be fake. FE had last week reported that exporters had submitted LCs to seek permits for despatches of over one million tonnes of wheat, way above the initial trade estimate of just

about 400,000 tonnes, leading to suspicions of attempts by unscrupulous elements to abuse the LC route. The closer scrutiny also indicates the government is in no hurry to relax the export ban, another source had said. "In order to plug the loopholes, it has been decided that regional authorities will do a physical verification of all LCs," the DGFT said. Apart from allowing exports that were already backed by LCs, officials have stressed that India

would also cater for the genuine need of neighbouring countries and food-deficit nations through government-to-government deals and honour supply commitments already made. Subsequently, the commerce ministry partially eased the order and permitted despatches of wheat consignments that were either handed over to the Customs authorities for examination or registered in their systems by May 13.

# Goyal calls for more cotton imports to tide over shortage

FE BUREAU  
New Delhi, May 30

**COMMERCE, INDUSTRY AND** textiles minister Piyush Goyal has called for greater imports of cotton to tide over a domestic shortage in the short term. The import duty on cotton has been scrapped until December 31.

At a meeting of a textile advisory group in Mumbai on Sunday, the minister also stressed the need for "realistic, accurate statistics across the value chain", the textile ministry said on Monday. The minister directed that a portal be created for this purpose, with inputs of the Cotton Association of India, ginners, the Confederation of Indian Textile Industry and the Southern India Mills' Association.

tion in the beginning of the year would have the industry better for any potential shortage, industry executives have said. Meanwhile, cotton prices have more than doubled in the past one year to breach the ₹1 lakh-mark for a candy of 356 kg. Since local prices have exceeded the global levels, a ban on cotton exports at this juncture won't serve any purpose, as outbound shipments are in any case not taking place, textiles secretary UP Singh told FE last week.

The domestic cotton output is now estimated by the farm ministry to be just about 31.4 million bales, of 170 kg each, in the current marketing year through September, way below its initial projection of 36.2 million bales. Domestic consumption, meanwhile, has been estimated to be about 34 million bales. A more realistic projec-

The meeting of the cotton advisory group, led by industry veteran Suresh Kotak, on Sunday discussed how to deal with the current situation and how to draw a long-term strategy to improve cotton output and productivity in the country, among others.
